Sub: Outcome of Analyst / Institutional Investor Meet held on 27/06/2025

Dear Sir/Madam,

Pursuant to Regulation 30(6) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby submit the summary of the discussion held during the analyst conference conducted by Go India Advisors with investors/analysts.

Key Discussion Points:

1. Company Overview

Management provided a brief background of Aeron Composites Limited, including the inception of the company and its journey within the group structure.

2. Manufacturing Processes & Capabilities

The company is producing FRP products through multiple processes such as various pultrusion and Moulding

3. Business Strategy and Market Position

Aeron is majorly focuses on geographical expansion so that dependability on single or multiple sectors can be avoided.

Having long term relationship with client by providing quality products and better credentials over the year by creating trust.

AERON COMPOSITE LIMITED
